Group formally discussed issues around Town to offer time for attendance for the meeting.

Briefly reviewed the planning process. noted that both Mayor and COO were present during the braining storming process

Member noted when Mayor was seen in the community, he offered brainstorming.

Noted that there was a breakdown of communication because the next steps had been memorialized in rnotes. Noted that with threads sometimes a technical barrier occurs

discussed this process was reminiscent of the barriers for the mosaic

Recapped the planning of black history month

- publications that we were going to develop
- public serve announcement
- actual event

Concluded that we began discussing this concretely in december, there were approximately requests for logistical information and the response was not timely.

noted that Friday we were informed the PS would be Monday. the program was outlined and it was the program we suggested.

conclusively in the email from Director Rodger's, we were informed the the town council will have a Black history celebration with the program logistics that we discussed

'Member discussed her ability to continue to sit on the committee, in the capacity that is needed to perform, she is not sure she can expend that time.

Highlighted the resignation process.

Discussed that we will follow up with new members who were interested to ensure that this issue does not impact their interest

Concluded that I will follow up with Mayor. Will also send out correspondence to the committee
